VERIFIED Complaint for Damages
And Injunctive Relief
I. Introduction

This is a § 1983 Action filed by Bryce L. Spangler a WA. ST.
~~Prisoner~~ Prisoner Alleging Constitutional Violations By Skagit Co. Jail &
Seeking injunctive Relief & money damages

(1st) My 1st Amendment Right was denied, my right to Access & freedom of The press. On or Around March 2012 I kited The SGT. OF SKAGIT CO. Jail if we could have magazines sent in I recieved A kite Back from A SGT. whos name I couldn't read stated we don't Allow Books OR MAGAZINES To be sent To inmates in S.C.J. We've never ben allowed mags or books & in The hole your not even allowed books in your cell.

(2nd) My V & XIV Amendment Rights To Due process & equal protection of The Law were completely Ignored on many occasions from Jan. 12 2012 To may 4, 2012. Also before That from Dec 2010 To June 2011.

As A pro se inmate in Skagit Co. Jail. I was Thrown in the hole for exercising my Constitutional Right under Farellā to represent myself in Charges Levated against me. I Spent 5 mos in the hole only Allowed 1 hr out a day & Treated as if I were in The hole for Punishment, untill I was Sentenced.

The Conditions at the Jail on mainline & The hole equaled punishment

Pg 2

Due To These facts.

(1) In The hole We (The OTHER PROSE INMATES & I) were housed with inmates who were Sociopathic, Schitzofrenic, & Crazy. ~~inmates~~ They Scream, yell, bang on metal Toilets & doors flood The Tiers with unsanitary Toilet water & Throw out Sanitary Napkins on The Tier. I was told on many occasions I don't get to Choose who I Live with, When I kited This issue. ON many occasions I've seen guards refuse to feed Mentally handicapped inmates. THIS Should Not be permitted they need care not Starved & laughed at. But I & others have lost Sleep clay on end due To This issue.

Jan. 12 - May 4 - 2012. IT drives you as Crazy as Them The Constant Screaming & banging into The night making you unable To Sleep & want To be violent & yell and bang also after a few nights.

(2nd) When being punished in April & May of 2012. I was Housed in grey 13 a Cell That is so disgusting & dehumanizing it is not Right. The Room has a mat on The floor & a grated hole in the ground for a Restroom the walls & floor are usually Covered w/Blood, urine, biat & fecal matter. I was housed There for A week, eating Sleeping & living in filth, with The Constant Noise of Booking driving one to the brink of your Sanity.

I was placed There by The Chief & Sgt. O'niel, whenever I would tell them my Conditions usually with incredulity like "do you realize what its like in here" They would tell me "yes, it is disgusting" "Don't get in Trouble"

I was also placed in Grey 9 in April of 2012 & for a month in May of 2011. This is a 5x9 Booking cell also w/no bed but a toilet & a Bench. In Both of these cells you are not allowed Basic Hygiene products Soap, ToothBrush, ToothPaste & usually No Socks or underwear. IT is also right By the Booking desk and The Constant lights made Sleep impossible & The cell is so small & sleeping

Pg 3

on The floor without being able To Clean or Sweep is disgusting and debasing. I still have problems w/bright lights because of This I get Anxious & Scared now because of This & have a unatural fear of places as small as Those cells. Those cells made you want To Kill yourself because of how horrible They were. This was The most Cruel punishment ive ben threw. The lights in There & The hole Never Really turn off. I was placed in These areas w/chief Wends permission by J. Oniel & Brian Schraeder. In may I was convicted so while I was There in may violated my VIII Amendment Rights.

(3) The Rampant overcrowding. I was housed in A-pod 2010-11 Dec-march April-June & had To sleep on The floor on many occasions. Skagit Co. Jail Places 3 men to a 6x9 Because of This I fell & had a Concussion & had to be Rushed To The hospital in february of 2011. The overcrowding leads To many violent episodes in The Jail (Just look at how many Riot Charges & infractions are given out) because There's no Classification process everyones Thrown together, Sociopaths, murderers, Schizophrenics & guys with parking Tickets. I was also housed in B pod in Jun-Jul. & Now on The floor & w/many unstable inmates. Even in The hole it is 2 to a cell with one on the floor. We are locked down 21 hours a day like This w/not even Room To exercise

I have suffered Constant Back pain & migrains since my Trip over my celly while Trying To get on my bunk in 2011 When I was Concussed & But open. I have also had a mental change Since Spending Time in SCJ & have To Take mood Stabilizers & Can't Sleep well. I can feel The change in pschyci to my Core & it's horrible.

~~the are also not given work~~

(4) I was continuously denied access To The Courts To litigate my case Effectively or Challenge the Conditions of my Confinement. Skagit Co. Jail Came

Pg 4

out w/a pro se Policy That did not allow us to write The Courts of Appeals, The federal Courts, Attorneys to ask help or advice, The Bar association or Commission of Judicial Conduct. We were so harried at every turn not allowed to make copies or write witnesses or call people of interest not allowed to fight our cases I gave up & Took 5 years for some things im not guilty of.

I was allowed to see The legal books Sporadically about once a week, Then They changed it to where (in April-May) I could only see the legal books when officers felt like it. They would put me in ankle & waist Chaining Hand Cuff me bring me to a little Room up front where I was let to read Books & work Cuffed, Now I don't know about you but That was a pretty hard Task for me it was hard to Read, write, & breathe in there & study Sporadically. At this time I was a Pro Se Pre Trial Detainee without a highschool diploma or Law School Training fighting 12 Charges & Not being allowed The Necessary Tools to have a meaningful or Adequate access to The Courts, or to defend ~~myself~~ myself against Charges I was innocent of.

They denied my Right To Access of The Courts found in; Privileges & immunities Clause of Article IV of The US. Constitution The IV & XIV Amendments Equal protection & Due process. This was done by Chief wend & The Sgts. They had full Knowledge of everything They had done & T. Hienz on Numerous Occassions happily carried out There orders & knew everything that was going on.

Im Requesting a injunction against The Jail To Stop overcrowding Start Classifying inmates. And for the love of god help some of the mentally handicapped. And monetary damages 225,000 from each defendant.

PG 5

The Aforementioned is all True Thus I Swear To God
and against my hope for an everlasting life.
